VISION:

To impart necessary training to the students to meet the expectations of industry & provide them the best possible opportunities to thrive in their carrier.

MISSION:

1. To train students to be industry ready
2. To enable students to become ethical professionals with diverse skill test.
3. To partner with renowned organizations from the industry & organize recruitment drives.

About Training and Placement Department:

The Training & Placement Cell of SSIT with a team of dedicated and committed staff, plays a pivotal role in counseling, guiding student. The T&P department works in close co-ordination with department's placement coordinators, comprising of faculty members chosen from individual departments.

T&P department acts as link between Industry-Academia partnerships so that the students can be nurtured into industry-ready technocrats. Besides organizing campus recruitment drives, the Training and Placement Cell also provides corporate grooming of the students by conducting; Guest Lectures, Personality Development Program, Communication Skills Program, Group Discussion, Mock Interview Sessions, Industry Internship Programs Placement of the students.

The training programs have been formulated after having a wide discussion with various industrial and academic experts. The Campus Recruitment Training (CRT) is a program exclusively designed for the students preparing for recruitment process. Its aim is to ensure that the students are well-equipped to get through the recruitment process of various companies. CRT prepares the students for their successful journey from Campus to Corporate.

The Training and Placement Department get connected with industries to arrange training of the students and placement of the students. The goal of Training & Placement Department is to provide employment opportunities and industry ready training to students. The T&P department is in touch with various industries for placement of potential candidates. We are arranging campus and off campus interviews for training and placements.

The major functions of the T&P department involve:

1. Organizing MNCs campus selection activities.
2. Inviting HR Person to address students on self-enhancement, confidence building, Career awareness program, etc.
